

## **BLOG CHAT POLICY**

In order to curb the unauthenticated news related to various scripts circulated in blogs/chat forums/e-mails etc as mandated in the code of conduct for stock brokers by regularity bodies which affects the integrity of the securities market, the following policies are adopted.

**1. Restriction to Blog/Chat forum/messenger site etc.**

Access to the blog, chat forum, messenger etc (if any) is restricted to authorised person only. Access to the blog, chat forum, messenger etc (if any) is permitted by compliance officer of the member.

**2. Maintenance of log regarding access to blog, chat forum, messenger site etc**

A log is to be maintained regarding access to the blog, chat forum, messenger site etc (if any) by the member. The said log is accessible & maintained by the compliance officer of the company.

**3. Direction to employees for taking approval from compliance officer before Circulation of news**

Employees of the company are directed to take prior approval from compliance officer of the company before circulating news in blogs, chat forums, messenger sites etc. (if any)
